Kitchen Ceramic Filter

In Pursuit of Green Life! Clean the World of Nature Like! Well-being & Lohas Life!

Type-S II

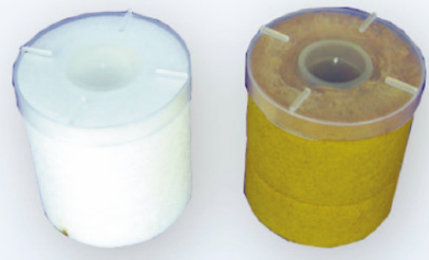

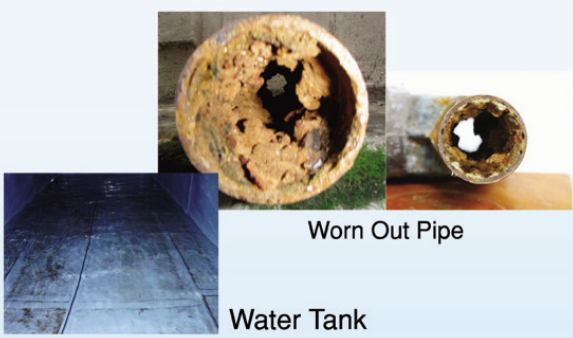

- **Clean Water**
- **Bacteria Free Water**
- **Healthy Water**

*The easiest installation!
Efficient technology for clean water!*

The excess of chlorine resulted from the water treatment process

1. The skin becomes rough and ages quicker.
2. Causes skin problems such as dryness, redness and pruritus (itchiness).
3. In very sensitive people it may even cause eczema and respiratory disorders.

Before using ➔ After 4 months
